Dear Wine Club Member,

Winter brings us indoors and gives us time to spend with our family and friends; the perfect time to share one of our big *Little* reds.

The outlook for the 2011 vintage is quite positive despite the year's challenging weather. The distinctive flavors are beginning to integrate well with some lots just finishing up their secondary fermentations. We'll be conducting final evaluations and blending trials for what looks to be an early spring bottling of 2010 wines.
