A Little About Us

The Little Vineyards Family Winery is located in the heart of Sonoma Valley's historic grape growing region. The wine is crafted by hand in small batches and gravity transferred into the very finest oak barrels available. We hope you enjoy the intense flavors and aromas unique to our outstanding appellation consisting of sun bathed rocky soil, warmed by underground artesian hot springs and cooled nightly by coastal marine layers. Our focus is in creating wines that truly showcase this appellation...wines we hope you will enjoy time and time again.
